The above individuals have met and exceeded course requirements for CERT 317 as drafted by FEMA for Disaster response. As noted separately, individuals completed the American Red Cross components for the proposed Disaster Response Technician rating (Intro to Disaster Services, Shelter Operations, Fulfilling Our Mission, and Damage Assessment). Please ensure that these individuals' personnel files and their ES qualifications on eServices are updated to reflect their accomplishment(s).

Respectfully submitted,

Capt Choya Shanahan, CAP  
CERT 417 Trainer
