

LESA PARTICIPANTS WHO ARE FIRST ATTENDING ENCAMPMENT...

We are so happy that you've decided to participate in this extraordinary activity! As I've told some of your parents, LESA has extended cooperation to the Cadet Program and we will be allowing cadets that have attended encampment two options:

1. You may leave with your parents after Pass In Review and do laundry in town. You should be back at ALERT and signed in by 3pm. Call 281-513-3974 and we'll pick you up at the gate.

OR

2. You may come directly to the Admin Building after PIR (leave luggage outside the dorms – you will be reassigned a room), sign-in to LESA and do your laundry in the dorms (bring quarters). Parents are not allowed to do your laundry at ALERT.

Cadets who are staffing both activities should report in at LESA when you are dismissed from encampment. You will be given time for laundry Saturday night. Leave your luggage outside the dorms – you will be reassigned.

Don't forget to bring \$5.00 for your dinner as you transition from encampment to LESA.

Please follow these guidelines, and we should have a smooth transition.
